PROFESSIONAL SUMMARY

I am a final-year B.Tech Information Technology student at Government College of Engineering Textile Technology, Serampore, with a strong foundation in C, Java, DSA, and DBMS. Passionate about software development and continuous learning.

TECHNICAL SKILLS

Programming Languages: C , C++ , Java , Python

Web Technologies: HTML, CSS

Database: SQL

Operating Systems: Linux, Windows

Tools & Platforms: VS Code, Microsoft Word , Microsoft Excel, Microsoft Powerpoint, Git & GitHub, Vercel

PROJECTS

Camping Website | HTML, CSS, JavaScript

- Developed a responsive camping/travel website with a clean and user-friendly interface.
- Created structured sections for camping destinations, services, and travel information using semantic HTML and CSS.
- Added interactive frontend behavior with JavaScript to improve user experience and navigation.
- Focused on responsive layouts so the website works across desktop and mobile screen sizes

Portfolio Website | React, HTML, CSS, JavaScript

- Designed and developed a personal portfolio website to showcase technical skills, projects, education, and contact information.
- Implemented a modern responsive interface with reusable React components and interactive navigation.
- Added dark/light theme functionality and visually styled project sections for a polished user experience.
- Deployed the portfolio online using Vercel and maintained the source code through GitHub.

EDUCATION

Bachelor of Technology, Information Technology | 2023 – 2027

Government College of Engineering & Textile Technology, Serampore (MAKAUT) | CGPA: 7.71/ 10

Class XII (2023) – 77.6% || Class X (2021) – 84.85%

ACHIVEMENTS

Solved 100+ DSA problems on coding platforms.

Participated in coding contests.

INTERESTS

Listening Music, Learning new technologies, Problem Solving, Software Development.
