About

I am a final-year B.Tech Information Technology student at Government College of Engineering & Textile Technology, Serampore, with a strong foundation in C, Java, DSA, and DBMS. Passionate about software development and continuous learning.

Internships

Modern Web Applications With MERN Stack, Edunet foundation

 March 2025 - April 2025

Developed a full-stack eCommerce fashion website using the MERN stack (MongoDB, Express.js, React.js, Node.js). Implemented user authentication, product catalog, shopping cart, and secure checkout system. Integrated responsive UI/UX design for seamless user experience across devices. Ensured RESTful API development.
